

## The Promises

1. If we are painstaking about this phase of our development we will be amazed before we are halfway through.
2. We are going to know a new freedom and a new happiness,
3. We will not regret the past nor wish to shut the door on it.
4. We will comprehend the word serenity and we will know peace.
5. No matter how far down the scale we have gone, we will see how our experience can benefit others.
6. That feeling of uselessness and self-pity will disappear.
7. We will lose interest in selfish things and gain interest in our fellows.
8. Self seeking will slip away.
9. Our whole attitude and outlook upon life will change.
10. Fear of people and of economic insecurity will leave us
11. We will intuitively know how to handle situations that use to baffle us.
12. We will suddenly realize that God is doing for us what we could not do for ourselves.

Are these extravagant promises? We think not. They are being fulfilled among us – sometimes quickly, sometimes slowly. They will also materialize if we work for them.

- We suggest you get the Big Book and Read it

## A Vision for You

Our book is meant to be suggestive only. We realize we know only a little. God will constantly disclose more to you and to us. Ask him in you morning meditation what you can do each day for the man who is still sick. The answers will come if your own house is in order, but obviously you cannot transmit something you haven't got. See to it that your relationship with Him is right and great events will come to pass for you and countless others. This is the Great Fact for us.

Abandon yourself to God as you understand God. Admit your faults to him and to your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the Fellowship of The Spirit, and you will surely meet some of us as you trudge the road of Happy Destiny. May God Bless You and Keep You until then.

## What is Cocaine Anonymous

We are a fellowship of cocaine addicts who meet together to share our experience, strength, and hope for the purpose of staying sober and helping others to achieve the same freedom. Everything heard at our meetings is to be treated as confidential. There are no dues or fees of any kind. To be a member you only have to want to quit and show up. We also exchange phone numbers, and give and seek support from one another between meetings.

We are all on equal footing here. There are no professional therapists offering treatment, and no one "runs" the group. Everyone in these rooms is here because he or she has a desire to stop using cocaine. We are men and women of all ages, races, and social backgrounds, with a common bond of affliction. Our Program, called the Twelve Steps of recovery, is gratefully borrowed from Alcoholics Anonymous, whose more than 50 years of experience with alcoholism teaches us that the best human help an addict can receive is from another addict. Some of us may first come to C.A. while in a treatment program or seeking individual psychotherapy. We say "Fine, do whatever works for you." We don't pretend to have all the answers, but experience has taught us that a recovering addict will almost always certainly relapse without the ongoing support of fellow addicts.

We welcome newcomers to C.A. with more genuine warmth and acceptance in our hearts then you can probably now imagine - for you are the life blood of our program. In great part, it is by carrying the message of recovery to others like ourselves that we keep our own sobriety. We are all helping ourselves by helping each other.
